& the Love Letters

You wanted the best, you got the best.

THE STORY

Goodtime Sam is a traveling musician based out of Austin Texas. Sometimes a solo act, sometimes with a band, "The Love Letters", which has an ever evolving group of players nationwide. The music is a genre bending mix of original songs ranging from A punk and rock n roll background to traditional country western & bluegrass, often accompanied by a lead banjo, fiddle or electric guitar.

Goodtime Sam has a set list of all original material, lyrically and musically, but can also perform entire cover sets solo or with a full band. "The Love Letters" have played a full Blaze Foley cover set at Stubbs in Austin.

Their first album "Born bad" was recorded at Secret studios in San Francisco, all songs featuring Banjo Jon were recorded in New Orleans & the latest release, "Rock Bottom Brunch" was recorded at "Kid in the background" studios in Beckley, WV.
